

Dear Trader,

Once again we'd like to invite you to the **Joy of Six** show in sunny Sheffield.

Last year we once again increased attendance considerably and the show continued to garner a hugely positive reaction in terms of reviews and discussions and reports around the internet and some very positive coverage across the board.

As a trader selling 6mm products we hope that you'd like to come along and join the fun this year. To this end, please find attached a booking form. Can you please complete and return this to us asap?

We have taken on extra space for 2020 in order to accommodate more games and traders. This has increased our costs on staging the event, but we are keeping trade stand prices the same as 2019.

We'll be getting some full-colour A5 handouts printed. If you'd like to take some to send out with your mail order and hand out at shows, please let us know. The aim is to get 6mm gamers across all genres and manufacturers, so that we will all benefit.

If you want to stage a game to showcase your products, please complete a separate booking form to reserve a table and we'll locate the game next to your stand.

Please note that that all JOS correspondence should be sent to JOS@baccus6mm.com

Cheers

Lindy, Peter and John

SUNDAY 5TH JULY
